“ **That was supposed to read "4th Ulmer sister! Lol :-) Robbie would have laughed at my goof. I loved her so much!*

“ *To the Robbie Fulgham family: I cannot find the words to tell all of you how my heart breaks for you at this time. Robbie was such a special person to my family. She was such a good neighbor to my mother, Evie Ulmer over the years. But Robbie became a special friend to my family. So much so that we began to call her the 4th Ulmer. Robbie went above and beyond when she ministered to Mother during Mother's own battle with cancer a couple of years ago. While I know you are hurting right now, I hope you take comfort knowing she is walking the streets of heaven happy, whole and home with people who love her.*

I'd like to echo my sister's sentiments about Robbie. We could never ask for a better friend and neighbor to Mother. Prayers for all of Robbie's family and friends. May God bless and comfort all of you.

I has just connected with Robbie through genealogy as cousins on her father's side of the family. We emailed many times and shared information of our family. I knew I hadn't heard from her since she mentioned she has bronchitis. Guess I just a gut feeling and found she had passed away. I'm still in shock at she never indicated she was extremely ill. I even had plans to try ans meet her on my next visit home to Memphis. Bless you all!
