“ You have my deepest sympathy for your loss. Bobby was a classmate of mine from the 6th grade to graduation from the old WPHS in 1948. After graduation I went off to college in Atlanta and because of USAF service, more college and employment in Albuquerque NM, I did not spend a lot of time in West Point and that was to visit family. On one trip I talked to Bobby as his group was leaving for dinner. Our talk was fairly brief and we agreed to get together on my next visit. Unfortunately, it didn't happen, which I greatly regret. Even though time and miles separated us, Bobby and I remained friends and I am sorry for his passing
