“ *Can't believe you're gone Rod. Everything happened so fast, you really lived up to your nickname of "Hot Rod". I always cherish and remember the countless phone conversations we had and the fact that I could call anytime and you would pick up. I still remember meeting you at that shipyard in San Diego in 2004. Not many people you meet by chance and end up life long friends. You'll always be in my heart and I'll remember you till we meet again. I love and miss you.*

*Your friend and brother,
Sully*
