“ My Sister Kathy and I were visiting West Point two years ago. A group of us got together to have a barbeque, at Claude Keller's Cabin near the Cat Fish Pond. Ronnie took me for a ride in his Jeep, a long with little Grace in the back! Ronnie drove us down to the river near there, and pointed out where there used to be a store, and homes from long, long ago. Ronnie, and his wife Donna were such a nice Couple, and enjoyed our visits with them!
Ronnie, you are loved, and will be missed.
