

Mrs. Roslyn G. "Rosy" Davis

November 11, 1958 - August 7, 2020

West Point, MS- Roslyn G. "Rosy" Davis, 61, passed away on August 7, 2020 at 277 Clisby Road in West Point. She was born November 11, 1958 in Aberdeen, Scotland to Patricia Kaye and the late Joseph T. Gable. She worked as a Financial Analyst for 34 years at Columbus Air Force Base. Rosy was member of First Baptist in West Point. She married Gary Davis on July 14, 1979 in West Point.

Rosy was a loving daughter, wife, mother and grandmother "Ree". Some of her favorite things to do were taking her grand kids to the camp house, swimming in the lake, cutting the grass and loved spending time there. She enjoyed catching up and visiting with friends at WalMart and frequenting Dirt Cheap. Rosy never met a stranger and made people laugh and smile everywhere she went. She was known for her positive outlook in every situation. She loved giving and doing for others never expecting anything in return. She had many lifelong girlfriends "sisters" who were family to her. Rosy's impact on lives she touched will never be fully known.

A memorial service will be held a later date. Calvert Funeral Home of West Point is honored to be trusted with the arrangements.

Survivors include her husband: Gary Davis of West Point; two sons: Justin Davis (Kelly) and Jody Davis (Kendall) all of West Point, two grandchildren: Ali

and Carter Davis and her mother Patricia Kaye. Rosy was preceded in death by her father: Joe T Gable and her step-father: Jack Kaye.

Honorary pallbearers are Dr. Brett Miller, West Point High School Class of "76", her extended family and the nurses and staff at Dugan.

Memorials may be made to St. Jude Children's Research Hospital, 501 St. Jude Place, Memphis, TN 38105.

“ I was very blessed and honored to know Mrs Rosy, I call her that , cause she would never let me call her anything else. I had the pleasure of getting to know her and work along side her in Budget office while I was stationed at CAFB. She was Always loving and kind. She even gave me the nickname Woo Woo that sticks in my mind today. She would always tell me about her family and how much she loved them. She became the mom away from home for me! She always looked out for me, even got me a dresser once from Dirt Cheap, as she loved to find a bargain. I have a very special place in my heart for her and her family. She loved everyone she met. I jumped at the chance to be there for her retirement, even though she never expected me to show up because of the long drive. She was a Wonderful person, amazing to be around. I send my prayers and deepest condolences to her husband and children and family.

“ I met Rosy when she worked with my husband, Marty (or Martimus as she dubbed him), and then I had the incredible honor of working with her when she came over to the squadron from MAQ. Rosy always talked of her love for her family. I never saw Rosy upset, she is the eternal optimist. She always had a kind word for everyone. This world is so lucky to have had her in it. I know, with absolute certainty, Ms Rosy is in Heaven. She will be so desperately missed down here. My prayers to all who love and will miss Rosy. She will always remain one of my favorite memories of Columbus AFB finance.

“ I have known Roslyn since first grade. She was the definition of a true friend. My heart breaks for you and the boys Gary! May God provide you comfort and peace. When I became a nurse I struggled with losing patients. An older nurse told me that God wants the prettiest flowers in His garden. He has the most beautiful now!

“ I am so sorry to learn of Roslyn's death. The last time I saw her was at our Class of 1976 30 year reunion in 2006. She had not changed any--just as sweet, caring, and friendly as always. We were also childhood playmates even though she lived a few blocks from Jefferson Street where I lived. Praying for comfort for her family. She will be greatly missed.

There are people who come into your life who have been a part of your life since you can remember. Roslyn was that friend. Memories of driving after church to “the lake”, lazy school days of chats, church, and the list goes on. Maid of honor at my wedding is one of the tops. Ma and Pa Gable embraced me as their own. I am heartbroken and also for Gary and their family. Heaven is even more perfect with Roslyn's bright light now there. Always in my heart sweet friend. Cathy Johnson, German, TN

I didn't know Rosy at all really, only met her a couple of times back in the late 80's before I moved to PA but my parents knew her and you Gary and I know they loved y'all and talked so highly of you both. I was shocked to hear of her passing just this morning as I'm writing this.

My condolences go out to you Gary and to all of your family.

“ *I am so sad to hear of Rosalyn's passing. I grew up literally around the corner from Rosalyn and spent tons of time at her house and Gable Lake. We lost touch after I left West Point in 1975 but had recently reconnected on Facebook. I know Rosie is so loved by so many. I am praying for her family to find peace in God's love and know He has His arms around Rosie right now.*

“ *Such a sweet sweet Lady, always smiling! I knew Rosie from the base but knew her so long I can't remember exactly how we met. It was always great to see her and get to talk for a few minutes to catch up. A true shining light at the base, one that'll never be replaced or forgotten!*

“ We are so saddened about Roslyn's passing. Our hearts are hurting. We are sending prayers up for Gary and family. Roslyn loved God, her family and her friends and she always let that be known. We loved Roslyn, her smile and her love for life. We could always count on her to be our Mississippi prayer warrior. She would text and tell us that she prayed for us as she crossed the river bridge because it was the "highest point" on her road trip to or from Columbus. She will be sadly missed. RIP Sweet Rosy!

“ In know exactly how I met Rosy! She is the best friend of my sister Jeannie Johnson. Whenever anything important happened in our lives, Rosy was there to stand beside Jeannie. I grew to love Gary and Rosy first for their commitment to a Jeannie and Rodney. Then for the love that came from Rosy. Always ready, with a smile, to meet whatever challenge was presented. What a Lady! What a loss! Heaven's gain. Walk those streets of gold and know how much you will be missed.

“ I was saddened to hear about Rosy. She was such an outgoing person and always had something cheerful or funny to say. I worked at Logistics on base and would see her now and then when she was there conducting business. She would always stop by my office and speak. She was a nice person...

“ Gary, Justin, and Jody - dear family , I am so very sorry and saddened by Roslyn's tragic death. My family was the neighbor of Joe, Pat, and Roslyn on Travis Street for many years. She was a dear friend of my younger sisters, and we all love her. Your mom was a true friend. The last time I saw her and Pat was at my sister, Karen's funeral in 2011. We had reconnected these past few years on fb , and I always enjoyed her musings. Her tribute to all of you on her wedding anniversary was especially touching. My prayers and love are with you ! “ I will always remember Mrs. Rosy’s generous smile and beautiful laugh. She had a heart of gold and never knew a stranger. When she asked about my family, it was never just a question. She really wanted to check in and see how everyone was doing. She always made time to say hello and chat. Most of the times I saw her, we happened to be in Walmart here lately. I am so sorry for your loss and am praying for your family. She will be truly missed.

*Diane and I hadn't seen Rosie since the neighborhood parade for the seniors.. The first thing she did was ask Diane how she was. We talked a little while and she told Diane that she was on her prayer list and she prayed for her daily. She was one of those special people who really cared for others more than herself. She was a fantastic lady and we'll truly miss her. We are so blessed to have known her. Your family will be in our prayers in the coming days. God bless.

Gary, Jodie and Justin...we are saddened to hear of Roslyn's passing. We have fond memories of Roslyn back here in Aberdeen, Scotland. When she was a young girl she visited with us a lot and taught us a lot of American cheer leading songs...we had such a laugh.

Pat, Roslyn, Elgin (my mother) and I had a great trip to London when we were both 12..such fun!

I am sorry we have never met..but Roslyn knew that I was thinking of a Southern States tour in the near future and we would have met up somewhere.

Roslyn and I had reconnected on social media and I can tell how much she loved her family. My heart goes out to you all and I hope your faith gives you some peace in the days and years to come.

Thinking of Roslyn, my cousin, and of sweet memories of our childhood in Aberdeen, Scotland...a life too short.
