When we finished wrapping the gifts for the people First Methodist adopted, Sandy commented: "All the left-over wrapping supplies will be stored at the church from now on because I might not be here next year." She is in a much better place! She loved going on the annual mission trip to the homeless shelter in Texas, where she handed out the needle- point crosses I made. She was thrilled any time she could help one of God's children! It will take a lot of people to fill the jobs she did for our church. God truly blessed many people through his servant Sandy. She spread so much love - an example for us all! We love you Sandy!! God bless your family!

“ The last time I saw Sandy she was buying gifts for the Adopt a Family program. As always, she had that beaming smile. She so enjoyed doing for others. I had so much admiration for her. She always had a big smile and hug for everyone. We will surely miss you Sandy, but oh the wonderful memories you left us with.
