“ Bitsy was a wonderful friend. Everyone knew when they entered Calvert Funeral Home they would be greeted with a huge smile and warm comforting words from Bitsy.., I don't care where you saw her she had that sweet smile and warm embrace. I've known Bitsy all my life and you would be hard pressed to find many friends and people like her. My prayers for her family and I know she is singing God's praises and smiling that beautiful smile. God bless all of you and know that Bitsy left a life of love, wisdom and comfort to all of you.

“ *To Bitsy’s Family~*

*We are so sorry to read of Bitsy’s passing. Bitsy was a very dear friend to my Mother, Katie Belle (Andrews) Blankenship. They grew up together up and remained good friends until both their healths started to fail. My Mother passed away in August 2017. Bitsy and John’s Mother, Juanita (Cox) Woolbright were also good friends since they had worked many years at Intex/Artex together as did my husband, John as he worked there while going to MSU. Bitsy was always a joy to be around, always funny and never met a stranger.*

*We were friends with her two sons, Boyd & Bob growing up. Bob even came to see us when he was at Ft. Ord, CA for Basic Training for the National Guard and we were stationed in Monterey, CA while John was stationed with USAF at the Presidio. We so hated when he passed away. We knew all three of their Jordan cousins and we still keep in touch with Kay & Susan. We hated it so bad when Donna passed.*

*Life seems to be slipping by faster as we get older. Our parents told us it would.*

*We just want you all to know how sorry we are for your loss. Bitsy was loved and will not be forgotten.*

*With our love and sympathy~*
