“ Resa my thoughts are with you, your mom, and all of your family at this time. I always enjoyed all of me years of working with and in fact sharing an office with your dad. I know how difficult it is but as you know you always remember the good times. Tim Seely and all of my family

“ I would like to express my sympathy to all the family. Many of you are dear friends of mine and Mr. Carroll was as well. My memories of him are as a tremendous authority figure and he always had great words of wisdom to share. I grieve with you in your sorrow but also rejoice with you knowing he has received his release and is reaping his rewards today with all of our loved ones that have preceded us. Rest in peace Mr. Carroll and God please bless and rap your arms of comfort around his family.
