“ *Connie, Angie and family. I'm so sorry about your loss. Thomas was a friend for many many years. He came by here a year or so wanting to know about a mutual friend of ours. I enjoyed his visit and we talked about how things and friends growing up with us in the fifties had passed and your mom. She was a very special lady and my children loved her as their bus driver. May our precious Lord comfort all of you in this loss.*
