“ As a child my fondest memories were knowing that Uncle Tom and Aunt Jessie were coming for a visit and I would get to see their big truck. They were always on the road and would come by if they were in Delaware. I also remember asking him y her drank a beer and everyone else had coffee and he would say. I had my coffee at 5 and it 9 so its beer time now.and wink. I am so gonna miss him and his laid back demeanor. He will be missed by all of his Delaware family.
