Tom Ray was my friend. Whenever he spoke to me he was always smiling. I'm sure he had a bad mood, got angry etc throughout his life but I never saw it. I never saw chaos, drama, manipulation or instigating anything. He just wanted everyone to get along...and maybe smile like him. He gave me a mustang that needs major work- I keep promising him I'd get it but between all my health issues I never found the time. He said "the car is free Priscilla but if u ever come in to a small amount of cash -I love a one way ticket to Colorado to see the mountains...I'm so sorry my friend that I wasn't able to give u your dream..Godspeed....Priscilla moore
