“ Tommy, I don't know where to start. I have so many memories of when we were young and would all gather at Mamaws in French camp. Those days were the best days. One memory that will stick with me is on Christmas mornings us cousins would all be there to spend Christmas Day together. Every year I would get a new football uniform for Christmas and we would get a big game going. When the ball would go out of bounds ( in Mamaws rose bushes ) you would throw me in there to get the ball cuz I had pads on and wouldn't get scratched up. I remember when you started your service, it seemed like the gang was splitting up. And now in the later years I loved seeing you when we could arrange meeting at Momma's. The plans we made to meet there this Christmas will still go on, it's just you will be there in our hearts this time. I love you Cuz! Roger
