“ *I have so many wonderful memories of your dad, Angie. He always made me laugh and I know he got so tired of coming and unlocking my car. He would just grin and shake his head and unlock it. We saw him a lot back in the day he had his station, then wrecker service; GT Tire always called on him. He will be greatly missed. I am praying for your sweet momma and the rest of your family. Love you! Jerris Roberson*

*Great men leave great memories. I will always remember Tommy as
being one of the most dependable friends I have known. His skill at his
work was matched by his true wit. Glenda, my thoughts are with you at
this time. So sorry the circumstances will not allow so many of us who
would like to show our respect for our friend in public.*
