“ To my dear father in law Always,

Even though our paths may have taken different directions, the bond we shared was and will always be a special one. Your passing this past Sunday has left a void in my heart, a reminder of the love and connection we once shared.

You were more than just a father-in-law to me; you were like a second father. Your kindness, your wisdom, and your unwavering support were constants in my life. I will forever treasure the moments we spent together.

Your love was a guiding light in my life, and I am eternally grateful for the memories we created. Your kindness and warmth touched my heart, and I will always carry the love you gave with me.

As we say our goodbyes, please know that you will never be forgotten. Your spirit lives on in the love and memories you left behind, and I am forever grateful for the time we shared. You will be dearly missed, and your love will always be a part of my heart. God Bless you Bill.

With love and fond memories,

Timothy E. Bolt
