Bill was an all around great guy! He was easy to talk to. He was always there to help any way he could. He had a beautiful smile and his laughter was contagious. He definitely loved his daughter, he spoke of her often. I can't count the numerous times we ran into each other and he would sneak up from behind and scare me. And he would laugh after I hollered and give me a big hug. He will truly be missed by many. My heart and prayers go out to his daughter and his family.💔🙏
